

DRUPALCAMP

LONDON 2019

FRIDAY 1ST - SUNDAY 3RD MARCH

DrupalCamp.London

DrupalCamp London is back this spring with a whole host of sessions, speakers and socials. Looking to learn new skills, network with the Drupal community or hustle for your business? From our CxO day to the weekend camp, we have something for everyone.

CxO DAY:

DrupalCamp London kicks off with CxO Day, bringing together 100 senior executives in the digital space and key influencers in the Drupal community. Attendees have the opportunity to hear insightful talks, engage in panel discussions and learn about key trends, as well as meet fellow attendees and grow networks.

THE WEEKEND KEYNOTES:

Rowan Merewood
Developer @ Google

Rowan is a Developer Advocate for Google Chrome and focuses on how to make the web both an incredible experience for users and an excellent platform for developers.

Preston So
Director of R&I @ Acquia

Preston is a globally recognised voice on decoupled Drupal and areas including the decentralized web and conversational design whilst also running Acquia Labs, Acquia's innovation center.

Sally Young
Developer @ Lullabot

An experienced back-end developer and dev-ops engineer, Sally spends her time building APIs, writing JavaScript and working on front-end tools with a global Drupal agency.
